

PARTNERSHIPS AND BUSINESS OPPORTUNITIES IN AFRICA WITHIN ENERGY EFFICIENCY, LIGHTING AND APPLIANCES

WEBINAR:
8 December
2020
@ 8.00-10.00

Would you like to be one of our “Champion Companies”, share your knowledge and experience about innovative business models in energy efficiency, lighting and appliances?

Do you want to build on your successes and challenges, and create new partnerships in Africa?

Join us for an interactive webinar and find out more about the opportunities to collaborate with Sida, UNIDO, the Swedish Energy Agency, the Sweden Africa Chamber, the East African Center of Excellence for Renewable Energy and Efficiency (EACREEE), and the Southern African Center of Excellence for Renewable Energy and Energy Efficiency (SACREEE).

This webinar is organised in collaboration with a regional project on Energy Efficient Lighting and Appliances covering 21 countries of East and Southern Africa. The project is funded by Sida and implemented by UNIDO and aims to achieve a market transformation through the development of vibrant markets for energy efficient lighting and appliances in homes, businesses and public facilities across the two regions.
